The idea is to create a possibility for several UNICAC teachers to work together in different Modules and teach online.

You can work e.g. in pairs or 3 teachers together and you can also work with me as needed. Also, you can do a whole Module by yourself.

Also, you can participate in several Modules, if you so wish.

You can create own content in Canvas or you can send me materials and I can add them to Canvas environment.

The working methods in the course include lecture and presentation parts, group dialogue, group tasks, seminar presentations etc.

The working environment consists of Zoom, Canvas and Padlet.

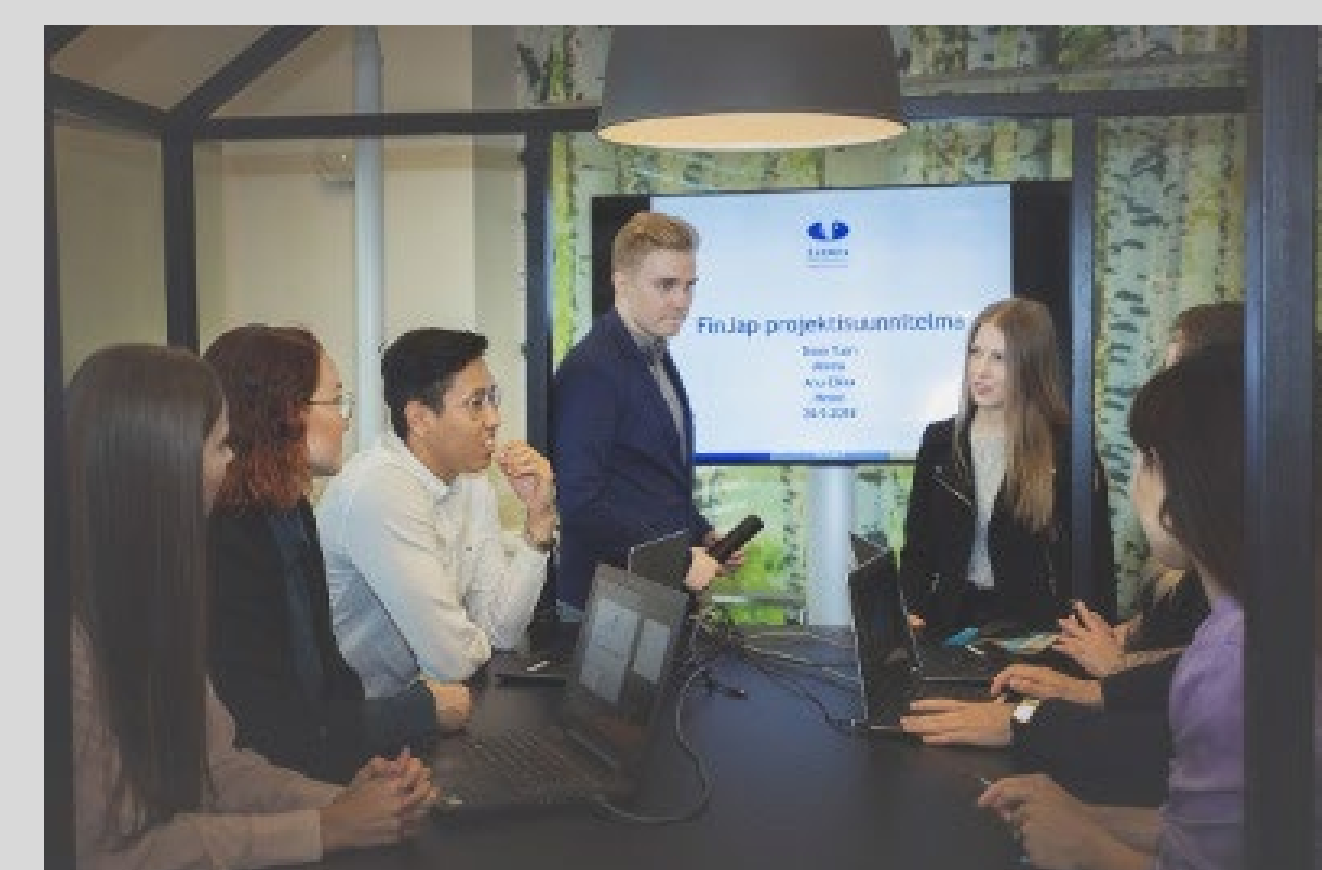

Seats available: about 50 students

Course can be 3-5 ECTS (with or without ePortfolio)

Teaching takes place on Thursdays

9-11.30am Finnish time,

7.10.-25.11.2021

Kindly, enroll for teaching latest 19.4.2021 by sending email: tiina.wikstrom@laurea.fi (name, organization and field of expertise, what Modules interest you/your topic)
